Subsection (i) Membership Committee. The Membership Committee shall be comprised of three members. The President shall appoint one member each year, except that he may appoint more when

a member is unable to complete his or her term. Each member shall serve three years except in cases where appointment has been made to an unexpired term. The senior member shall serve as Chairman.

The Committee shall recruit new members for the Association and promote NAREA membership in and outside the northeast region.

President's Message

Steven E. Hastings, President presented the following remarks:

As one of my final acts as President, I would like to express my thanks to several people for their assistance throughout the year; the other Officers, the rest of the Executive Committee, the Committee Chairs and members. Also, I need to thank the members of the Association for supporting the meetings and the Journal.

I consider it a distinct honor and privilege to have served as President of this Association. The Association was healthy and growing when I assumed the Presidency and I trust I am leaving it the same way. As I step down, I have asked the new President, Neil Pelsue, to give special emphasis to the new Membership Committee. I believe an expanding and diversified membership is critical for the future of the Association.

Finally, I noted from the department announcements the number of new faculty in the region. I hope they will become members of the Association and I encourage them to do more. I hope they will make their interests known to President Pelsue and President-Elect Malone so they can become involved in the workings of the Association. I know they will find it very rewarding both personally and professionally.

I look forward to my new duties as Past President and to working with all of you in the future. Thank you.

There being no new business, Steve Hastings turned the gavel over to Neil Pelsue the new President. Neil Pelsue announced the 1988 Meetings would be held at the University of Maine and that Johannes Delphendahl would be the Arrangements Chairman.

He also solicited volunteers for NAREA Committee appointments, nominations for Distinguished and Honorary Life Members Awards and items for the Newsletter.

The Meeting was adjourned at 5:00 PM
